Dear Community Business Leader,

I'm reaching out to inquire about a partnership with your organization because we have noticed you are a vital member of our local community. I serve as the President of Millennium High School Cheer Booster Club, a program dedicated to building confident, resilient student-athletes who lead with spirit, integrity, and pride.

Just last year, our teams represented Millennium High School at numerous competitions and community events, showcasing not only athletic excellence but also the heart and dedication that define our program.

This work is incredibly important to our students and our community—and it relies on the generosity of individuals and businesses like yours.

By becoming a sponsor, you will:

- Raise your company's profile
- Reach hundreds of local families and supporters
- Demonstrate your commitment to youth development
- Connect with other community-minded businesses

But most importantly, you will make a lasting impact in the lives of our student-athletes.

We're counting on community leaders like you. Please review the enclosed packet to see how your support can make a real impact. We'd love to have you on our team!

Thank you, and I look forward to hearing from you soon!

Gratefully,

Charity Farling
